### J1SL17
**Who Does More Household Chores (R or SP)**

Running a household involves a lot of chores (like cooking, shopping, laundry, cleaning, yard work, repairs, and paying bills), and couples vary in who does these things. Overall, do you do more of such chores, does your spouse or partner do more of them, or do you split them equally? If you have children, do not count childrearing tasks such as bathing them, taking them places, or helping them with their homework, but do include chores like doing their laundry, washing their dishes, or cooking for them.
